ABOUT US

The word *youngistaan* means the land of young people. With over 356 million young people, India has the largest youth population – more than any other country in the world. The potential of our young people to create a better future makes India a land of opportunity.

Registered as an NGO in January 2014, Youngistaan Foundation is based in Hyderabad in Telangana with multiple projects that run throughout the country. With over 50,000 registered young volunteers, Youngistaan Foundation is committed to making a difference in our communities by helping those in need. We are a platform for young people who are ready to create real change in the areas of food and nutrition, hunger, homelessness, poverty, education inequity, gender inequality, taboos on menstruation, emergency responses, animal rights, capacity building, youth nurturing and many more issues.

Youngistaan Foundation has created and runs the following programs which we will go in detail in this report:

- Hunger and Nutrition Program
- Homeless Rehabilitation and Livelihood Program
- Gender Equality Program
- Bright Spark Education Program
- Animal Heroes
- Emergency Response
- Youth Nurturing

This report covers our work from April 2020 to March 2021. During this time, people across the world could never have predicted the scale of the devastation that would rapidly spread across the earth. Youngistaan Foundation immediately went into action to provide basic essentials to people in need as well as hospitals and other medical professionals, to mitigate the effects of the COVID-19 pandemic and lockdown.

MESSAGE FROM THE FOUNDER

The period of April 2020 to March 2021 had only one concern on the minds of people across the world: COVID-19. In India and in the region where we predominantly work - Hyderabad and the Telangana region - we received multiple requests from various communities for urgent and immediate needs.

From senior citizens to the transgender community, men and women from the most vulnerable people-groups were left without much help to deal with the onslaught of the global pandemic and nationwide lockdown.

One silver lining we witnessed during this devastating time was the youth of our country stepping forward to meet the needs of desperate people. Due to their bravery and selflessness, many people across India had the food, water, medicines and other essentials needed to brave the storm.

Youngistaan Foundation is grateful to all our organization partners and to the police and other officials for their cooperation and partnership in providing essential goods and services for people in need.

Through this report, it is our hope that you will get a glimpse into our COVID-19 relief effort.

COVID-19 RESPONSE

Our on-field efforts from lockdown onwards have largely consisted of COVID-19 relief; we distributed nutrition and hygiene kits to those in need, particularly those in marginalized communities such as migrant workers, daily wage workers, trans people, children and the elderly. We also diverted our volunteer efforts to aid those affected by the Hyderabad floods in October as well as conducted our annual three-day carnival at the end of the year for our children.

NOVEMBER 2020

- This Diwali, volunteers surprised our little rock stars from the education program (Indranagar learning pocket) with eco-friendly hamper baskets to make their Diwali 2020 a special one. Each kit has diyas, cloth masks, dry fruits pouches, natural soaps, notebooks & pencils, story books, besan laddoos. The children were delighted to take their gifts home. They appreciated every gift that had been wrapped with such love and care. This was done in collaboration with The Sustainable Indian and Nidarshana to make their festival special. A big thank you to the young environmentalists Saadhvi (9 years old) and Visruth (6 years old) for raising funds for these hampers, to their mother Lekshmi, and to Surabhi and Trupti for the children's favourite Pratham books.
- A drive was organised for collection of warm blankets and clothing to donate to underprivileged communities for the winter months.

DECEMBER 2020

- Voting drive was organised on occasion of the GHMC elections on December 1. A huge count of volunteers from the Youngistaan Foundation attended different polling stations to assist senior citizens and persons with disabilities to exercise their right to vote.
- Youngistaan Foundation's 8th Edition of Annual Carnival for the children was organised on 20th December. This year, YF celebrated 3 mini Carnivals at 3 different locations. In each of the locations professional storytellers enthralled the children with stories that gave them important life lessons. Choreographers taught them some fun dance moves to upbeat music. Games jockeys organised entertaining games for the children. The day concluded with delicious plates of Priya Vamsee Kalakonda baked cupcakes, and IKEA sponsored blueberry danish and croissants.
- Like every year, even this year, on the occasion of Christmas, our volunteers gathered to collect bags of happiness and went around the city distributing 300 packets of freshly cooked Bhagara Rice, Brinjal Curry and Sambar packets among the homeless people and conveyed Christmas wishes. Special thanks to Mr Sunil Samuel, our generous donor for thinking of the vulnerable in his celebrations.

JANUARY 2021

- YF volunteers are distributed blankets among the children from Saidabad slum after conveying New Year Wishes to each and every child.
- A bunch of fresh leafy vegetables, always leave a pulse of something healthy and a happy vibe. The first crop vegetables grown inside the campus of Wipro Limited Hyderabad were donated to an Old Age Home (who we work with) in order to support the senior citizens with adequate supplements of vitamins and proteins.
- On the occasion of our 7th anniversary on 24th January, we felicitated our volunteers who selflessly helped over 16 communities who were affected due to the Covid-19 pandemic & lockdown.
- A performance by AWM band, a stand up act by Raja Shekar Manidanna and lots more made the evening very special. Congratulations to Anala Reddy from Bright Spark Education Program, Mohit Surana from Hunger Heroes, Food and Nutrition Program and Deeksha Chitturi from the Women of Courage Program on receiving 'Volunteer of the year, 2020' for their respective programs. Special congratulations to Mounika Vadde for receiving the Youngistaan Foundation Volunteer of the year award. Every year, Youngistaan Foundation recognises the extra efforts of Volunteers who've contributed 250+ hours.
- Wipro Foundation again came forward to donate their first crop vegetables grown inside the campus. Our Volunteer Shiva dropped off 25kgs of Brinjal, 20.150 kgs of Amaranth leaves (Thotakura), 5.250 kgs of Fenugreek leaves (Methi) at an orphanage that we work with.

- Youngistaan's Education Program is adapting to the pandemic through a model of 'Blended learning'. Here is an integrated environmental science + literacy lesson in action. After a week of online learning, students from our learning pockets came together in a face-to-face session where they had an opportunity to observe and click pictures of a pond ecosystem. After which, with the use of ICT tools such as Piktochart and Canva, they transformed their observations into digital posters. As part of the YF Remote Learning Initiative, Bright spark Volunteers are using Whatsapp as a digital educational tool to connect and interact with children from urban slums in Hyderabad.

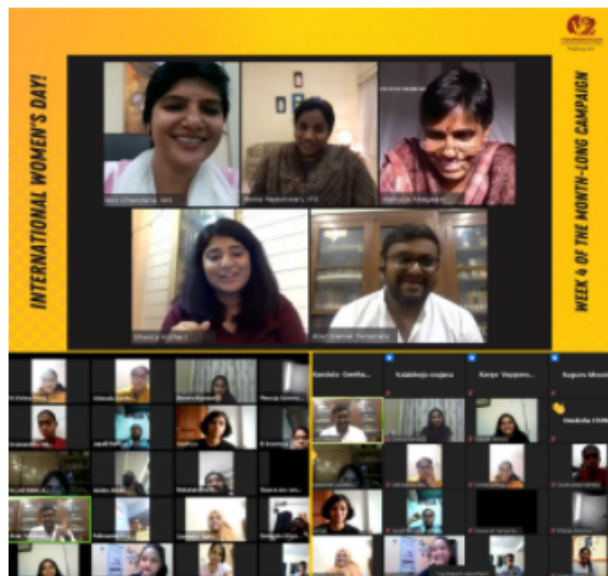

FEBRUARY 2021

- Another lot of vegetables grown inside the campus of Wipro Limited were dropped off by our team members at a residential school that we closely work with. 26kgs of Black Brinjal, 10kgs of Coriander leaves, 8kgs of Methi and 21kgs of Palak were donated in total.
